

PROGRAMMER/DEVELOPER BEGINNER Job Opening

Programmer/developer Beginner

LucidTech d.o.o. in cooperation with ZRx Outcomes Research, is expanding its development team, located in Kragujevac, due to the increased workload. Permanent positions are opened for programmers/developers that meet the following requirements:

- knowledge and understanding of programming basics
- basic knowledge of graphics software (PhotoShop, Fireworks, Adobe Illustrator...)
- ability to learn fast
- well spoken and written English language
- pragmatic personality with team spirit

University education (in IT department) is a plus.

If interested, please send your CV (in English) no later than **October 20th** to jobs@outcomesresearch.ca or call us at **034/333-839**.

Potreban PROGRAMER/DEVELOPER POČETNIK

Programer/developer početnik

Zbog povećanog obima posla, LucidTech d.o.o., u saradnji sa kompanijom ZRx Outcomes Research, proširuje svoj razvojni tim u Kragujevcu. Otvorena su stalna radna mesta za programere/developere početnike koji zadovoljavaju sledeće uslove:

- poznavanje osnova programiranja
- poznavanje rada sa grafikom (u nekom od programa: PhotoShop, Fireworks, Adobe Illustrator...)
- sposobnost savladavanja novih znanja i tehnologija u kratkom vremenskom roku
- solidno znanje engleskog jezika
- izražen timski duh

Prednost imaju kandidati sa završenim fakultetom (poželjno informatičkog usmerenja).

CV slati na engleskom jeziku na e-mail: jobs@outcomesresearch.ca

Rok prijave: **20. oktobar 2011.**

Dotatne informacije se mogu dobiti na navedenoj e-mail adresi, kao i telefonom na broj: **034/333-839**
